

## PHYSICS 153

### SOLUTION TO SAMPLE MIDTERM I

MIDTERM I: WED. FEB. 25, 5:00-6:30 PM  
IN THH 101

NOTE: The exam will be  $1\frac{1}{2}$  hours, and will have 5 problems, not 6, and will be shorter than the sample exam.

NOTE: One problem will be directly from the homework sets #1 through #5.

NOTE: The exam is closed book, but will include the same page of formulas as that included with the sample exam.
